Practical 03

Assessment Task

14/07/2022

Create a Web Page that displays your “Semester Time Table” and apply the following effects to the table:

1. Add Background Cover to your WebPage.
2. The web page should contain a header as “***Semester Time Table***”

For Header,

- Font Size - **40 pixels**
 - Font Color - **Blue**
 - Font Weight - **Bold**
 - Font Family - **Times New Roman**
3. Mention your ***Academic Year and Semester*** (Ex: 1st Year 2nd Semester) as a Subheader

For Subheader,

- Font Size - **30 pixels**
 - Font Color - **Red**
 - Font Style - **Italic**
 - Font Family - **Times New Roman**
4. For the table,
 - Apply **Green Color** for the table header as Background Color
 - Apply **White** for the color of the text in the table header.
 5. Display day names (Mon, Tue, etc...) in **bold format** with the first letter in the day name in **uppercase**.
